

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2017 to June 30, 2018)

- Participation in 'Swachhata Abhiyan' of Hon'ble Prime Minister.

7.5 Whether environmental audit was conducted? Yes No

- Environmental audit is conducted by forest plantation officer of the Maharashtra Government at Malshiras Tahsil, NGO Maskoba Pratishthan Rede, Tal. Malshiras, Dist. Solapur and Botanical experts from S.M. College Akulj.

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

- Strength

The college has received permanent affiliation of Solapur University Solapur already. We received 2(f) and 12(B) status of UGC. The college has completed three cycles of Accreditation and re-Accreditation by NAAC and was awarded C++, B and B+ grade with CGPA of 2.35 for second cycle and 2.62 for third cycle. The college has pollution free campus. There are more than 80% students from socially and economically weaker sections of the society. The college tries to provide various scholarships of Government to the students. The college has been offering skill developed and value added courses as like Spoken English, Tally, CMLT and Office Automation. Every year college takes the student feedback on teacher and curriculum. University has permitted Ph.D. Research Centre in Physics. A sufficient infrastructure is made available.

- Weaknesses

Academic year 2014-15 College got 12(B) status of UGC so there is problem of research funding. However, there is limited research progress and lack of funds for Minor and Major research project. Our faculty of Science, Commerce, B.C.A., B.Sc. (ECS) is going on non-aided facility. The college is affiliated to Solapur University, it has to follow the curriculum designed and developed by the University. We have adopted the CBCS pattern for First and second Year Classes for all streams and CGPA pattern for third year of all streams evaluation is concerned. The college Staff participates in paper setting, examiners, and maintenance of examination discipline.

- Opportunities

It is the rural college, yet there are some opportunities for the further development. Especially Maharashtra State is having a great web of Co-Operative and Private Sectors. So there are many opportunities to our undergraduate students in these sectors. To avail these opportunities to our students, the experts from the Co-Operative and Private Sectors always communicate with our Principal as well as the placement cell of the college. The Principal and Placement Cell inform all this to the skilled and worthy students in the college. Many of the students of our college have been settled in their own business. The college has planned to start more skill based courses in traditional faculties of Arts, Science, Commerce as per new Central Government Policy. The introduction of Bi Vocational Courses as per new policy of UGC and Central Govt.

- Threats / Challenges

The students of this area are socially as well as economically backwards. It is a great challenge to us to avail an education at affordable cost. Therefore, it is challenging to introduce the skill oriented and job oriented courses at affordable cost with adequate infrastructure.

Academic Year 2014-15 we got 12B approval from UGC which is very helpful to undertake the research activities such as Major and Minor Research Projects and to have Teacher Fellowship leading to Ph.D. to the Researchers of the college and the research infrastructure.

8. Plans of institution for next year 2018-19

- To send proposals for UGC.
 - a. Sports proposal for basketball court and sports equipment.
 - b. Teacher Fellowship, Seminar, Workshop Organisation, Projects.
 - c. Proposals for Major and Minor Projects.
 - d. Proposal for canteen facility.
 - e. RUSSA proposal for grant
 - f. UGC proposal for sports, Basket Ball etc. as per provisions.
- Rain Water Harvesting Project.
- Use of Natural Resources for rural life.
- Purchase of Benches, Cupboards, Computers and maintaining and updating computers.
- Purchase of Office Furniture and periphery.
- Plantation of trees and preparation of various grounds for outdoor sports activities.
- To set the Solar Lamps in College Campus. Harvesting Solar Energy for electricity generation.
- Construction of Boys and Girls Hostel facilities.
- An auditorium of 5000 capacities for all types of Sports and Cultural activities.
- To prepare various proposals for financial assistance from RUSA, HRD, and UGC.
- To promote environmental consciousness among students and staff of the Institution.
- Introduction of Physics, Chemistry at Special Level for B.Sc.
- Introduction of some skill based add-on courses of UGC or New Degree Course 'Bi Vocal' as per UGC policy.
- To facilitate CC. TV.Camera Network in the college premises.
