2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

It is the prime important activity of the college to assess the learning levels of the students. In general the students who have achieved marks below 60% are identified as slow learners and the

students who have achieved marks above 60% are identified as advanced learners. On every academic year the Principal delivers lecture to counsel the students. He makes them aware about their goals and objectives of the life, makes them aware of their responsibilities as a student. The faculty always motivates to the advanced learners to read more reference books and to solve more exercises on the syllabus. The advanced learners are motivated to participate in the various activities. The college takes special efforts to develop the slow learners. Formal coaching and extra lectures are organized to bridge the gap between the slow learners and advanced learners. The slow learners are also taught the various techniques to create confidence among them. Thus the slow learners are brought to level of the advanced learners.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Always the faculty members try to use the student centric methods such as experiential learning, participative learning and problem solving methodologies during the time of teaching.

Experiential learning: - It enriches the knowledge and skills of the students of social science, science and commerce. The different kinds of visits such as, visits to historical places, field visits, bank visits, industrial visits, study tours, visits to science

exhibition and visit to language lab are very helpful to the students for an experiential learning.

Participative learning: - The faculty organize seminars, group discussions, poetry reading competition and assigning the project work which increase the confidence of the students. The participative learning method is also used through support services such as sports, NSS and cultural departments. Problem Solving Method:- The problem solving approach plays a very important role in individual and social life of the students. So the faculty members organize the lectures of the experts from diversified fields to develop this problem solving approach among the students. The Mentor-Mentee scheme is useful to solve the problems of the students through faculty. Thus through this method, the members attempt to increase an interest and involvement of the students in the process of learning.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Performance Appraisal Report of individual teacher is one of the aspects of evaluation of the work done by the teacher in every academic year. Teachers submit completely filled hard copy along with the relevant documents to the head of department. These forms are assessed by the IQAC and the Principal. The Principal gives remarks and IQAC committee calculate the API score. So this

calculated API score is used in Career Advancement Scheme for the purpose of promotion of the teacher from Assistant Professor to Associate Professor and Professor.

2. Non-Teaching Staff: -

For the Non-Teaching staff performance Appraisal is calculated through the confidential reports (CR). Individually they submit their confidential report to the Principal for the assessment and remarks. The parameters of evaluations for non-teaching staff are administrative skills, punctuality discipline, technical knowledge and their all over behaviour. The Principal forwards their CR with suitable remarks to the management for further necessary action. The promotions are given to nonteaching staff on the basis of Confidential Reports (CR) as per the government rule. The assessment inspires the teaching staff to engage in research and academic development and non-teaching staff is motivated for good work.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Our college has internal and external audit mechanism. Audit provides an unbiased and objective view about the financial management, the business and transactions of the organization. Our management has appointed chartered accountant Mr. Nitin G. Kudale and company as an internal auditor. The college maintains separate accounts manually for senior grantable, non-grantable scholarships, NSS, YCMOU sections. Details on expenditure (salary, scholarships, Bills, Vouchers, Receipts, and grants etc.) are checked by Internal Auditor. Presently all the fees are remitted by student in the cash mode to the college. The scholarships are directly deposited in the accounts of beneficiaries through MAHA - DBT Portal. The report of the internal auditor is made available to the parent institute and Government. It is kept in the college development committee to study the report and the remarks given by the auditor. The audit queries, if any, are rectified by submitting necessary documents or

clarification studied thoroughly in the meeting. The internal audit of year 2020-21 is completed. The external audit is done at two levels by the Joint Directors Assessment. Audit completed up to 2013-14 and the senior auditor, Government of Maharashtra completed up to 2001-02. Thus our college has undergone the first two external audits but the audit of Auditor General has not been done yet, however, it will be done as per their schedule.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Our institution has a well-defined mechanism and policies to monitor the financial matters. We receive grants from State and Central Government and UGC. Heads of Departments and heads of internal committees demand their requirement for various items at the beginning of academic year. Management makes appropriate provisions for requirement of additional funds, if necessary and the annual budget after review by Hon. Principal is placed before management. The college provides facilities such as library, gymnasium, and indoor wrestling centre with mat, a playground, R.O. Drinking water, CCTV in the campus, botanical garden with ornamental and medicinal plants, canteen, Parking Shed and Permanent Open Stage for various

activities. Playground is free of charge open for all the citizens in the locality for morning and evening walk. The library has given the benefit of free book bank facility for meritorious, physically handicapped, visually disabled as well as economically weaker section students. The college runs in two shifts. Entire building is used for this purpose and this is optimal use of infrastructure and physical facilities. Sundays are holidays, the college building is used by YCMOU for counseling their students so also extra lectures and practical.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution reviews its teaching learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC. The role of Academic and Administrative Audit is more important aspect of Educational Institutes for an evaluation of incremental growth. We have completed three cycles of NAAC Accreditation. According to the recommendations of Hon. NAAC, most of our faculties participated in seminars, conferences and workshops. They also presented and published research papers. Most of our faculty members tried to improve the teaching learning and quality of education by using new tools of education such as OHP, LCD Projector, Audio - Visuals. Most of the faculty members have achieved computer literacy to use modern tools of education to improve the quality of teaching learning. According to recommendations of NAAC peers during the second cycle we have tried to improve the laboratory facilities for quality education of students. The canteen facility is provided to the students and faculties. According to the recommendation of Hon. NAAC Peers in this year 2021-22 we have organised Online International Webinar. After 3rd cycle reaccreditation of our college we have tried to open new courses related to various life skills, useful for the students.
